

Mortgage Pro Global - Data Deletion Policy

Last Updated: July 2026

Mortgage Pro Global respects your privacy. We do not require users to create an account for core features and minimize personal data collection.

Data Processed: Analytics (with consent where required), crash reports, diagnostics, device identifiers used by third-party services, advertising consent preferences, and locally stored app preferences.

Not Stored: Mortgage applications, bank details, payment card information, government IDs, mortgage balances, or user accounts.

Local Device Data: Saved calculators, favorites, settings, theme, country selection, and cached content can be removed by clearing app storage or uninstalling the app.

Data Deletion Requests:

Email: privacy@mortgageproglobal.com

Subject: Data Deletion Request

Please include your country and a description of your request. Do not send sensitive financial information.

Response Time: We aim to respond within 30 days, subject to applicable law.

Retention: Certain information may be retained where required by law, to prevent fraud, resolve security issues, or enforce legal rights.

Third-Party Services: Google Firebase, Google AdMob, and Google Play Services may process certain data under their own privacy policies.
